A room is locked from the inside. The name *Luca Bruelhart* or *Lukas Brulhard*¹, is inscribed on a plate on the door.

—

¹ Luca Bruelhart or Lukas Brulhard (the spelling is uncertain), appeared at a New Year's Eve party in a house in Switzerland at the turn of 2012–13, without knowing anyone there. He stayed the night. Then a second night, and those that followed. The inhabitants of the house grew accustomed to his silent presence. He never left.
